Access to INFO WHOIS information is provided to assist persons in determining the contents of a domain name registration record in the Afiliias registry database. The data in this record is provided by Afiliias Limited for informational purposes only, and Afiliias does not guarantee its accuracy. This service is intended only for query-based access. You agree that you will use this data only for lawful purposes and that, under no circumstances will you use this data to: (a) allow, enable, or otherwise support the transmission by e-mail, telephone, or facsimile of mass unsolicited, commercial advertising or solicitations to entities other than the data recipient's own existing customers; or (b) enable high volume, automated, electronic processes that send queries or data to the systems of Registry Operator, a Registrar, or Afiliias except as reasonably necessary to register domain names or modify existing registrations. All rights reserved. Afiliias reserves the right to modify these terms at any time. By submitting this query, you agree to abide by this policy.

The data contained in GoDaddy.com's WHOIS database, while believed by the company to be reliable, is provided "as is" with no guarantee or warranties regarding its accuracy. This information is provided for the sole purpose of assisting you in obtaining information about domain name registration records. Any use of this data for any other purpose is expressly forbidden without the prior written permission of GoDaddy.com, Inc. By submitting an inquiry, you agree to these terms of usage and limitations of warranty. In particular, you agree not to use this data to allow, enable, or otherwise make possible, dissemination or collection of this data, in part or in its entirety, for any purpose, such as the transmission of unsolicited advertising and solicitations of any kind, including spam. You further agree not to use this data to enable high volume, automated or robotic electronic processes designed to collect or compile this data for any purpose, including mining this data for your own personal or commercial purposes.

Please note: the registrant of the domain name is specified in the "registrant" field. In most cases, GoDaddy.com is not the registrant of domain names listed in this database.
